

Welcome to Central Idaho's only full-service trail park, located at Tamarack Resort. Bring your own bike or enjoy the convenience of our on-site recreation center rentals. Tamarack trails offer excitement for all levels of riders—gentle terrain on the Lake Cascade foothills for novices or steeper single track on the mountain for experienced riders. The scenery is rich with native wildflowers, remarkable wildlife and stunning views of the Forks and Frank Church Wilderness. Experienced guides are on site and ready to teach mountain biking basics or advanced maneuvers for the experienced riders.

If you prefer to explore on foot, a variety of mountain and meadow trails meander throughout the Resort. Guides are available to share their extensive knowledge of area flora and fauna.
